BRIEF BALLOT PROPOSITIONS DESCRIPTIONS	
1.	**Authorize $11.25 billion in general obligation bonds for affordable rental housing and homeownership programs for general public and Veterans.**
2.	**Allow California to save more money during strong economic years so it can protect schools and other essential services when revenues fall.**
3.	**Renew the additional income taxes enacted with the approval of Proposition 38 in 2012 that fund education and early childhood programs.**
4.	**Allow state and local governments to create programs that provide candidates with public funds under spending limits and eligibility rules**
5.	**Eliminate the successor election when a state officer is recalled, thereby leaving the office vacant until it is filled according to state law**
37.	**Establish a second mortgage homebuyer program for qualified homebuyers on qualifying homes and issue $25 billion in bonds to fund the program**
38.	**Issue $8.4 billion in general obligation bonds to fund immunology and immunotherapy research**
39.	**Require voters to present government-issued identification when casting ballots and require election officials to use government data to confirm voter citizenship and report verification rates**
40.	**Levy a 1-time 5% tax on assets of billionaires; 90% goes to healthcare for low-income Californians, 10% to education & food assistance programs**
41.	**Require audits of programs funded by new taxes; applies revenue from new taxes to state's spending cap; requires spiking revenue go back to taxpayers or toward education. Would effectively cancel out the wealth tax proposal.**
42.	**Prohibit enactment of new taxes after January 1, 2026 on ownership or accumulation of retirement holdings, individually-owned assets, and other forms of personal savings**
43.	**Require two-thirds vote by electorate to enact, extend, or increase local special tax initiatives and prohibit local governments and ballot initiatives from enacting ad valorem property taxes except those authorized elsewhere in the state constitution**
44.	**Prohibit healthcare clinics, specifically federally-qualified health centers and related organizations, from spending less than 90% of their annual revenue on mission-related purposes**
45.	**Establish timelines for local and state agencies to review plans and solicit public comment for essential projects, such as housing, improvements to water supply, transportation, energy, and facilities for health and public safety**

Democracy depends on informed voters. PLEASE DUPLICATE and DISTRIBUTE WIDELY.
