

INDIVISIBLE

Resistance Action East Bay

PLEASE DONATE EARLY

It takes money to win elections, & early money is much more helpful than money later.

- We suggest donating to Activate America, a people-powered action group making an impact in battleground districts to pressure vulnerable Republican Members of Congress, holding them accountable for their complicity in enabling Donald Trump & Elon Musk.
- They leverage the work to defeat those elected officials who don't listen to the will of their voters. **SEE REVERSE SIDE for QR code**
