MORE RESOURCES

Protectthevote.net
This site has a hotline that can be called if any voting irregularities are encountered

2026.indivisible.org/n2n/
Go here to get a short list of low propensity voters near you that you can reach out to and try to get to vote. Note: not all neighborhoods are targeted.

866ourvote.org
This site has general information on voting in different state, and also runs a voter-protection hotline to report issues and ask questions
