Resistance Action East Bay

KILL THE "SAVE" ACT

The SAVE ACT, not yet law, poses a serious threat to voter participation. It will lead to voter disenfranchisement (by making registering much more difficult) and voter roll purges. Millions of voters will be affected. What can you do?

- Go to 5-Calls app (free at the App Store if you don't have it), read up on the SAVE ACT and consider the suggested actions
- Contact people you know in PURPLE states, ask them to download the 5-Calls app and to encourage their representatives to Kill the SAVE act
- Make sure those you know are aware of this poisonous legislation

See QR code on reverse for more info.
