

INDIVISIBLE

Resistance Action East Bay

NO WAR BY DECREE!

No president, Democrat or Republican, should take this country to war alone. Not now. Not ever. Call your congresspeople and demand exactly that. A really easy way to do that is to scan the QR code below, download & open the free “5Calls” app, put in your zip code, and you’ll get one-tap calling to your representatives. Call them and tell them:

- We need congressional oversight
- No boots on the ground
- No excess war funding
