BE A CONSTITUTIONAL OBSERVER!

We need you. Donald Trump is threatening to send agents all over the country with the goal of intimidating voters. We cannot let this go unchallenged.

Minnesota DFL, a DNC affiliate, is leading the charge in training people to serve as Democracy Protectors—volunteers near polling locations to help voters and to serve as a friendly face during what might be a stressful time in our elections. Go [here](https://www.mobilize.us/df/event/1023225) to sign up for a training:
